

City Solar's 2012 Brooklyn SOLAR SERIES
at

The **COMMONS**
Make a Solar Module

Hands on Workshops

(full day 9:30am-6pm, 1/2 day 9:30am-1:30pm, 2pm-6pm)

Saturday March 10th (Make a Module, full day, as below)

Saturday May 12th (Each person makes a solar charger
for batteries or cell phone to take home, 1/2 day)

Saturday July 14th (Make a Module, full day, as below)

The group assembles a Solar Electric Panel

(60 watt 3.5 amp, 12 volt nominal) with solar cells, "ribbon" wire, solder,
tempered glass, aluminum frame, silicon encapsulant, and silicon caulking

The solar module/panel is available for sale at the end of the workshop

presented by Brooklyn's

and

**The
Commons**

At 388 Atlantic Avenue

(tel:718-852-5786)

betw Hoyt/Bond Brooklyn, NY
